

Dear Families,

We hope you have all had a healthy and safe summer. We want to be the first to welcome you back to the 2020/2021 school year. No matter what it looks like this school year will be filled with great learning and community opportunities for our little Longhorns. The PTO is actively brainstorming safe and creative ways to keep as many events and traditions as possible up and running as long as we need.

The PTO has always been a big contributor to Longfellow. Last year the PTO funded the new door wrap in the school vestibule and renewed the school's Reflex Math subscription. The PTO also helps teachers obtain classroom supplies and sponsors assemblies and guest speakers along with putting on our annual Day of Kindness before Winter Break. The PTO also helps coordinate many fun Longhorn traditions like the Back to School Bash, Book Fair, Bingo Night and Movie Nights. While these may end up looking a little different this year or being postponed to a later date, I assure you we are working hard to make sure our students are excited to be Longhorns.

Attached you will find a form and instructions on how to join the Longfellow PTO. Your membership dues and support are key drivers in the success of all the programs and initiatives listed above. Completing the registration in Membership Toolkit will help ensure you receive all the PTO update emails and have access to contact information for classmates. We look forward to meeting you all at our first PTO meeting of the year (virtually) on September 3rd at 7pm.
